**June 2010**

**Committee Membership for the New Year:**

The last monthly meeting of the 2009 Executive Board has been held and the 2010 year will officially begin with our new slate of officers and directors. We will also need to staff our committee assignments for the upcoming year. If anyone has any interest in serving on a particular committee please let me know.

**Social Events:**

The Board would appreciate input from any member on ideas for social events. The Christmas Party, Annual Meeting, Corn Roast (and the Salvation Army Cookout) have always been well received, and we would be interested in adding another event for the members to get together and enjoy.
